# Opening our waiting rooms in a COVID-safe way

Helping you **stay safe** on **Britain's roads**

A dark, dimly lit waiting room with rows of empty blue seats. The room is mostly empty, with a few faint lights visible on the ceiling. The overall atmosphere is somber and quiet.

# Why have our waiting rooms been closed?

Helping you **stay safe** on **Britain's roads**

# How we are planning to open waiting rooms

- We are opening our waiting rooms in phases.
- We've identified that we can reopen this waiting room safely.
- In locations that can not be reopened, we are exploring alternative solutions.

Access only for people with  
someone out on a driving test.

X people maximum in the  
waiting room.

# You must:

- wear a face covering unless you have a good reason not to
- scan QR code or sign in
- use hand sanitiser
- wipe anything you touch before and after
- put used wipes in the bin

- Seat covers are optional
- Put in the bin before you leave
- Do not eat or drink
- keep at least 1m plus away from others
